

Vision

Provide annually a participatory, educational workshop of civics and government instruction for U.S. high school students, where students become part of the leadership and operation of city, county, and state government, and learn the functional aspects and responsibilities of citizenship.

Help us to ensure democracy.

Since 1939

It's a week that
will change a
boy's life.

Our Values

Patriotism

Vigorous support of our country.

Civic Education

Rights, responsibilities, duties
and privileges of citizenship.

Americanism

Allegiance to the traditions,
institutions, and ideals of the
United States.

"Freedom is never more than
one generation away from
extinction. We didn't pass it to
our children in the bloodstream.
It must be fought for, protected,
and handed on for them to do
the same, or one day we will
spend our sunset years telling
our children and our children's
children what it was once like in
the United States where men
were free."

Ronald Reagan

40th President of the United States of America

Mission

The purpose of The
American Legion Utah
Boys State program is to
introduce boys to the
functional aspects of
citizenship and social
responsibility.
