Dear Valued Sponsor,

On behalf of the Utah American Legion and Utah Boys State, thank you for your commitment to developing future leaders in our communities. Your support gives young men the opportunity to become engaged, responsible citizens through our distinguished civic education program.

About Utah Boys State
As the Utah American Legion's flagship civic education program, Utah Boys State advances the Legion's core mission while providing a transformative experience for aspiring leaders. Through intensive, hands-on learning, participants strengthen their understanding of citizenship, character, leadership, and community involvement.

Why Your Support Matters
Across the nation, many citizens—especially young people—are concerned about today's societal challenges. Stronger civic education can help prepare the next generation to address them. American Legion Boys State volunteers are responding to this need, and we invite you to join our nation's veterans in making a meaningful difference.

2027 Session and Sponsorship
The 86th session of Utah Boys State will be held June 13–19, 2027, at Weber State University. Sponsorship is $350 per student or staff volunteer. Your contribution helps keep participation affordable and accessible.

Please consider sponsoring a student or volunteer and demonstrating your commitment to civic education and community service.

Welcome and Graduation Ceremony
You are cordially invited to attend a welcome reception at 6:00 pm on Sunday, June 13, and our graduation at 11:00 am on Saturday, June 19, 2027. Both events will be held at the Weber State University Ogden Campus in the Shepherd Union Building.

Your sponsorship is vital to our mission. Thank you for partnering with Utah Boys State to educate and inspire the next generation of American leaders.

Tax Information
Your contribution may be tax-deductible to the extent permitted by federal law. Please consult a qualified tax professional.

Sincerely,

Doug Case
